#### MUNICIPAL BY-LAWS.

##### "LULU ISLAND BRIDGE DEBENTURE OR REGISTERED STOCK BY-LAW, 1910."

A By-law to enable the Council of the City of New Westminster to raise by Loan the Sum of Thirty thousand dollars (\$30,000) to complete the Payments for the Materials and Construction of Lulu Island Bridge.

WHEREAS the sum of thirty thousand dollars (\$30,000) is required to complete the payments for the materials and construction of Lulu Island Bridge; and it appears that if the said sum of thirty thousand dollars (\$30,000) be appropriated from the general revenue of the city for the current year the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures or registered stock certificates should be issued for that amount:

And whereas, for the payment of interest on the debentures or registered stock certificates proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures or registered stock certificates when due, it will be necessary to raise by special rate, in addition to all other rates, each year during the currency of the said debentures or registered stock certificates, the sum of fifteen hundred and eighteen and 07/100 dollars (\$1,518.07):

And whereas, in order to raise the said yearly sum of fifteen hundred and eighteen and 07/100 dollars (\$1,518.07), an equal special rate on the dollar will be required to be levied on the whole rateable property of the City of New Westminster:

And whereas the whole rateable property of the said city, according to the last revised assessment roll thereof, is seven million two hundred and forty-nine thousand and ten dollars (\$7,249,010):

And whereas the total amount of the existing debenture debt of the city is one million six hundred and seventeen thousand one hundred dollars (\$1,617,100) irrespective of the sum of two hundred and ninety-four thousand five hundred dollars (\$294,500) proposed to be raised under the "Street Improvement Debenture or Registered Stock By-law, 1910"; the "Schools Debenture or Registered Stock By-law, 1910"; the "Fire Debenture or Registered Stock By-law, 1910," and the "Parks Debenture or Registered Stock By-law, 1910," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures or registered stock certificates hereinafter mentioned, any sum or sums of money not exceeding in the whole the sum of \$30,000 and to cause the same to be paid into the Treasury of the said city for the purposes mentioned herein.

2. It shall be lawful for the Mayor to cause any number of debentures or registered stock certificates to be made, not exceeding in the whole the sum of \$30,000 for such sums of money as may be required, not less than \$100 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling; and all such debentures or registered stock certificates shall be sealed with the Seal of the Corporation, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorised.

3. The said debentures or registered stock certificates shall be payable on the first day of July, 1960, at such place or places as the Council of the said Corporation may from time to time appoint with the approval of the holders thereof, and shall bear interest at the rate of four and one-half per centum per annum, payable half-yearly on the first day of January and the first day of July in each and every year, and the debentures shall have attached to them coupons for the payment of interest, which said coupons shall be signed by the said Mayor.

4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on all the rateable property of the city, sufficient to pay the interest on the debentures or registered stock certificates, and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same.

5. Subject as aforesaid, there shall be raised annually by special rate as aforesaid, during the currency of the said debentures or registered stock certificates, the sum of thirteen hundred and fifty dollars (\$1,350) for the payment of the interest thereon, and the sum of one hundred and sixty-eight and 07/100 dollars (\$168.07) to provide for the repayment of the principal.

6. The proceeds of the said debentures or registered stock certificates shall be applied as follows, and not otherwise: Towards paying the cost of the passing of this By-law, and the issue and sale of the debentures or registered stock certificates therein referred to, and all expenses in connection with the said loan; recouping the Treasury of the said city such sums as have been expended until the proceeds of the sale of the said debentures or registered stock certificates become available, and to complete the payments for the materials and construction of said Lulu Island Bridge.

## MUNICIPAL BY-LAWS.

## "CEMENT SIDEWALKS LOCAL IMPROVEMENT DEBENTURE ASSESSMENT BY-LAW, 1910. (No. 1.)"

*A By-Law to assess, levy, and collect the cost of the construction as work of local improvement of cement sidewalks on the following streets in the City of New Westminster, viz.: London, Edinburgh, Dublin, and Hamilton Streets, and Seventh and Eighth Avenues on both sides of the street between Tenth and Twelfth Streets (inclusive), also Tenth Street on the west side, between Sixth and Tenth Avenues (inclusive), and on the east side between Eighth and Tenth Avenues (inclusive); and to raise upon debenture loan the necessary moneys to pay the cost thereof.*

**W**HEREAS the Municipal Council of the Corporation of the City of New Westminster did, by resolution duly passed on the 18th day of April, 1910, determine and specify that it was desirable to carry out the following works, that is to say: To construct cement sidewalks on London, Edinburgh, Dublin, and Hamilton Streets, and Seventh and Eighth Avenues, on both sides of

the street between Tenth and Twelfth Streets (inclusive), also Tenth Street on the west side between Sixth and Tenth Avenues (inclusive), and on the east side between Eighth and Tenth Avenues (inclusive);

And the said work should be carried out in accordance with the provisions of the "Local Improvement General By-law, 1909";

And whereas the City Engineer, upon receipt of a copy of the said resolution, did, under the provisions of the said By-law, ascertain and determine the said works or improvements, and did make and certify as correct a plan thereof, and did make an estimate of the expense or cost thereof, and did ascertain, determine, and show on said plan what land or real or assessable property will be immediately benefited by the proposed improvements;

And whereas the City Engineer and City Assessor did, after the said plan had been made and certified co-jointly, ascertain and determine the proportion in which the assessment is to be made on the various portions of land or real or assessable property so benefited, and did make a joint report of all such matters to the said Council, which report was duly approved of and adopted by the said Council and entered in accordance with the provisions of the said By-law;

And whereas thereafter the City Clerk did cause a notice to be inserted in the "Daily Columbian" and "Daily News," being newspapers published in the said City, to the effect that the said report or a necessary part thereof was open for inspection at the office of the Assessor, and signifying the intention of the Council to make the assessment therein set forth;

And whereas within a period of fifteen days from the date of the first publication of such notice no petition being presented against any of the said improvements, the Assessment Roll, showing the property and the amount assessed for the local improvement, was duly prepared and the Clerk did cause a notice to be inserted in the said "Daily Columbian" and "Daily News," being newspapers published in the said City, to the effect that the said Assessment Roll was open for inspection at the office of the Assessor;

And whereas no notice of appeal was received against the said assessment;

And whereas the cost of the said works or improvements is shown by the said report to be \$15,000.00, and the whole amount is to be assessed against the owners of the real property benefited;

And whereas the Council has decided to distribute the payment of the said cost of said works proposed to be assessed hereunder over a period of twenty years and to borrow the money necessary to defray such costs upon the special rates levied hereunder upon the lands and improvements benefited and upon the guarantee of the Corporation at large;

And whereas the total frontage upon the said work of local improvement of the real property immediately benefited is 1,349¾ feet, and the cost chargeable to the property benefited is as aforesaid \$15,000.00;

And whereas it will require the sum of \$750 to be raised annually for the period of twenty years to pay the interest of the said debt, and the sum of \$453.64 to be raised annually during the said period for the payment of the debt to be created by this By-law, such last-mentioned sum being sufficient with the estimated interest on the investment thereof to discharge the said debt when the same shall become payable, making in all the sum of \$1,203.64 to be raised annually as aforesaid;

Now, therefore, the said Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

(1.) That the real property immediately benefited by the said work of local improvement shall be that which is particularly mentioned in the said report and which is set forth and described in the schedule following:—

(2.) During twenty years from the first day of July, 1910, the currency of the debentures to be issued under the authority of this By-law the sum of \$750.00 shall be raised annually for the payment of interest of the said debentures, and also the sum of \$453.64 shall be raised annually for the payment of the debt, making in all the sum of \$1,203.64 to be raised annually as aforesaid.

(3.) A special rate of 8.92 cents per foot frontage is hereby imposed on the real property hereinbefore described over and above all other rates and taxes, which special rate shall be sufficient to produce in each year the said sum of \$1,203.64; The said special rate shall be annually inserted in the Collector's Roll for the next succeeding twenty years and shall be payable at the time or times and at the place and in the manner in which ordinary City Taxes are payable; provided, however, that no rebate be allowed on the amount levied hereunder as aforesaid.

(4.) The sum of \$15,000.00 shall be raised by loan by the Corporation on the security of the special rate hereby imposed, and the guarantee of the Corporation at large and the debentures amounting to the sum of \$15,000.00 shall be issued by the Corporation therefor.

(5.) The said debentures shall be made payable at the expiration of twenty years from the date of issue of the same and shall bear interest at a rate not exceeding five (5) per centum per annum.

(6.) The debentures may both as to principal and interest be payable in any place in Great Britain, in the United States of America, or in Canada, and may be expressed in sterling money or in any other currency, and may be payable in gold, and the amount to be raised thereby shall be paid out and expended in paying off and discharging any temporary loans heretofore obtained on account of the said improvements and works and for any other necessary expenses in connection with the said improvements and works, and for no other purpose whatever.

(7.) If at any time any of the owners of the said real property hereinbefore described or any part thereof desire to commute the assessment hereby imposed by the payment of his, her, or their proportionate share or shares of the cost thereof as the principal sum in lieu thereof, he, she, or they may so commute by payment of such sum as may be necessary to realise at the end of the currency of such debentures a sum equivalent to the balance then unpaid of the said special rate thereon.

(8.) All moneys arising out of the said annual special rate, and all moneys received in commutation thereof under the preceding section shall be deposited in the savings bank of some chartered bank.

(9.) Every debenture to be issued hereunder shall contain a provision in the following words:—

"This debenture or any interest therein shall not, after a certificate of ownership has been endorsed thereon by the Treasurer of the Corporation, be transferable except by entry by the Treasurer or his deputy in the Debenture Registry Book of the said Corporation."

(10.) The amount of the special rate levied hereunder shall be added to the taxes for the financial year in which such rate is assessed and levied, and such special rate may be collected in every respect as ordinary land or real property taxes of the City of New Westminster and may be enforced and recovered in the same way, whether by action brought in any Court of competent jurisdiction, by sale of the land or real property upon which the same attaches, or otherwise; provided, however, that no rebate shall be allowed on the amount levied hereunder.

(11.) The Corporation of the City of New Westminster doth hereby guarantee the moneys and interest thereon to be raised under the authority of this By-law.

(12.) This By-law shall come into operation and take effect on the 1st day of July, 1910.
